Attn:    Decision and Certificate of Correction  
          Branch of the Patent Issue Division

Dear Sir:

In response to the Notice dated January 29, 2009, denying the Request for the Issuance of a Certificate of Correction, Applicants submit the Request for Reconsideration of the Request for Certificate of Correction.

The correction of the city of residence of inventor Masato Takai is requested as indicated on the enclosed Certificate of Correction. A review of the Office's records will reveal that the city of residence of Mr. Takai was correctly indicated on the Application Data Sheet submitted on January 11, 2005, and on the Oath/Declaration of inventors submitted on February 25, 2005. It is requested that a Certificate of Correction be issued to correct this and other errors identified in the above-identified patent. Attached hereto is a Certificate of Correction which indicates the requested corrections.

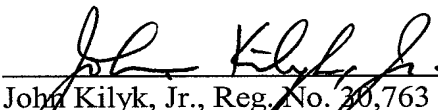

It is believed that there is no charge for this request since the applicants were not responsible for such errors, as will be apparent upon a comparison of the issued patent with the application as allowed.
